Susanr@northstar4kids.com

CHILD: _____

DATE: _____

I give permission for North Star Personnel to administer Sunscreen and/or Bug Repellent that I provide.

The Sunscreen and/or Bug Repellent must be marked with your child's name on it and given to a staff member.

Sunscreen and/ or Bug Repellent can **not** be given to the child to be stored with their items.

We prefer that you apply either or both of these before your child comes to child care.
